

# Legal Coaching

## For Business Owners & Entrepreneurs

**Legal compliance** is a big issue for small business. It covers everything from business structures and partnership agreements, to IP and brand protection. Many business owners don't know how vulnerable their businesses are, and those that have some idea, aren't sure where to begin.

### How can Legal HQ help?

We provide **legal education & coaching** to help small business owners navigate the legal minefield and discover what issues apply to them.

**What do we offer? Choose a service that suits you.**

### 1. IP Asset Assessment & Commercialisation

Our IP Asset Assessment will identify what types of IP you have, explain how to protect each type and talk with you about ways to make money from them. Start by completing our obligation free self-assessment and then book a 60min Strategy Session where we will cover:

- What stage your business is at and where you want to take it
- How to protect **your** assets
- Ways to fund the commercialisation of some types of IP
- A range of ways to commercialise and **what works for you**
- The documentation and practical steps set out in a **personalised** timeline

**Online sessions start at \$490. POA for face to face. Access your FREE IP Self-Assessment**

### 2. Annual reviews

Legal Obligations change as your business grows and takes new directions. Our annual reviews give you the opportunity to canvas changes and discuss the impact it will have from a legal perspective. Start by completing our obligation free Annual Review Checklist and then book a **60min strategy session** to discuss:

- The legal pro's and con's for what you're proposing
- **Your** specific needs
- The documentation and practical steps set out in a **personalised** timeline

**Online sessions start at \$490 . POA for Face to face. Access your FREE Review Checklist**

### 3. Legal Coaching

**Our legal coaching programs are available in 3, 6 & 12mth packages.**

**3-6mth** timeframes are perfect for specific projects (ie Protecting and commercialising your IP)

**12mths is ideal for Start-Ups** and new ventures who can take full advantage of having a solicitor guide you through the first critical year of business.

Start by completing an obligation free Start-Up Assessment and then book a **90min Strategy Session** to discuss your new venture and where you want to take it. By the end of the session you'll have:

- A thorough understanding of your legal obligations
- Every step prioritised and added to a personalised timeline.
- Helpful links for a DIY approach and a quote for coaching (if required)

**Online sessions start at \$590 or POA for face to face.**

**Access your FREE Start-Up Assessment.**

### 4. Online Learning
